

**CSB/SJU CHEMISTRY DEPARTMENT
SEMINAR PROGRAM
Fall 2005**

Date	Speaker	Title
Thursday Sept. 8, 2005	Julia Zhao Dept. of Chemistry University of North Dakota	<i>"Nanotechnology Today"</i>
Tuesday Sept. 27, 2005	Dennis Tallman Dept. of Coatings and Polymeric Materials North Dakota State Univ.	<i>"Conjugated Polymers for Corrosion Control"</i>
Friday Oct. 7, 2005	Liz Minor Dept. of Chemistry and Biochemistry Univ. of Minnesota, Duluth	<i>"Salinity and pH effects upon the photochemical reactivity of natural organic matter"</i>
Thursday Nov. 3, 2005	Chris Schaller Dept. of Chemistry CSB/SJU	<i>"New Initiators and Catalysts for the Polymerization of Lactide"</i>
Tuesday Nov. 15, 2005	Anna Selmecki Doctoral Candidate at Univ. of Minnesota Dept. of Biochemistry, Molecular Biology & Biophysics	<i>"Analysis of Chromosome Aneuploidy in Candida albicans"</i>
Monday Dec. 12, 2005	Amy Prieto Dept. of Chemistry Colorado State University	<i>Shape Control of Inorganic Nanostructures"</i>

ALL SEMINARS ARE AT 4:15 PM in ASC142 – UNLESS OTHERWISE NOTED. Speakers will meet with interested students at 4:00 PM to discuss graduate programs at their institutions or to answer any other questions that you might have. Some refreshments will be available.
